**Brendon O'Connor** is a Senior Lecturer in the Department of Politics and Public Policy at Griffith University, Australia. In 2006 he was a Fulbright Fellow at Georgetown University. Currently his main area of research is anti-Americanism and he is the editor of a forthcoming four volume series on the topic for Greenwood press. He is the co-editor with Martin Griffiths of *The Rise of Anti-Americanism* (Routledge, 2006) and the author of *A Political History of the American Welfare System: When Ideas Have Consequences* (Rowman & Littlefield, 2004).
